

# Any Logo, Any Color, Anything Anywhere

Realize your ideas beautifully inlaid in soft lambskin leather, wool, or cotton twill jackets. Our process is quite simple. Using the supplied paper jacket template, scratch, scribble, or doodle out your designs and colors. Then mail, e-mail, or fax us your ideas.

## You don't have to be an artist!

Our team of graphic artists will assist you in creating a one of a kind jacket that you'll never find in any store. We will prepare a professionally designed color preview of exactly how your jacket will look in leather, wool, or twill. We can then e-mail or mail you this proof for your approval before we actually cut and sew the jacket.
